Valley River Nurseries

Catalog

Some New—Some Good Things
FOR
Planting in the Western Provinces
FROM
Valley River Nurseries

W. J. Boughen, ~~Dom. Ex. Farm, Monden,~~ President.
H. Hambleton Olson, Field Manager, Valley River, Man.

Valley River Nurseries, Valley River, Man.

APPLES —A few Osman—Hybrid, red, little smaller than Transcendent, late August		each	\$1.00
A few Rosilda—three-quarter bred apple x pyrus Baccata, nearly two inches, yellow and crimson, fine quality		each	\$1.50
A few Wapella—three-quarter bred apple x pyrus, 2¼ in, yellow washed with red		each	\$1.50
Trail—one of Macoun's hybrid apples, seems hardy, good quality, small apple, only large trees		each	\$1.50
CRABS —We recommend for hardiest Red Siberian, Yellow Siberian, Transcendent, Saunder's Hybrid Apples, Tony, Prince, Elsa, Silvia. Tony is bearing size, bush form hardy			
Hansen's Crabs, Amur, Dolgo, Olga, Red Tip, Alexis		each	\$1.50
Smaller sizes of Siberian, Transcendent, and some hybrids at		50c.—75c.	
PLUMS —Our own Seedlings, from good fruits, grown here 1 year			
Own rooted trees from our fruiting good seedlings		each	.75
		per dozen	\$7.50
Mammoth Plum—1 yr. graft, 4—5 ft. on 3 year roots		each	\$1.50
Assinaboin, listed for first time. Hensen's best selection of Manitoba native plum. It is big and unsurpassed. A few trees as above		each	\$1.50
Winnipeg—as above is a Hansen's plum and will be for sale fall of 1922			
Opata—a plum; sandcherry hybrid of high quality, hanging on tree, and good to eat for five weeks; is a grand plum and prolific			
Sapa—a blood fleshed plum x sandcherry hybrid by Professor Hansen; is also a good plum to grow with Opata		each	.75
		Large, each	\$1.00
Zumbra—a new cherry plum from Minnesota Fruit Breeding Farm, said to be pincherry crossed with English black cherry and crossed again with sandcherry. Very prolific. One inch fruit of fine flavor. Our original stock cost over \$3.00 a tree. 1 yr. trees, limited amount		each	\$1.50
RASPBERRIES —Latham—a new raspberry of largest size, good and hardy, from Minnesota Fruit Breeding Farm. A great show berry, rather late,			
		per doz.	\$1.50
		per 100	\$10.00
Miller—the raspberry we favor for commercial planting or home use, almost the hardiest, except Ohta. It is firm, of good shape until end of season, and good flavor. You should try these		per 100	\$5.00
Ohta—(Prof. Hansen) hardiest, large bright red		per 100	\$8.00
Sunbeam.—(Hansen's Production) preferred above all by some. It is good		per 100	\$8.00

Price list

Valley River Nurseries, Valley River, Man.

Owing to the heavy demand for our catalogue our bigger one has run out. Hence we are issuing this small list to tide us over the season. Our nursery is situated about 200 miles north west of Winnipeg and we have won the silver cup for most prizes for fruits at Winnipeg garden show, the last two years. We specialize in Crabs, Plums and small fruits for the north. The first thing necessary in fruit culture is a windbreak.

- Russian** Laurel Leaf Willow, Russ. Golden Willow
Cottonwood, 2 ft., per hundred \$4.00
